

MARK A. LUNN
Poll Worker Class Schedule
Statewide Direct Primary Election
June 5, 2018

The schedule below is for the June 5, 2018 Poll Worker Training Classes and Courses. It is highly recommended that **ALL** Poll Workers participate in training.

New Poll Workers including High School Students **must** attend an onsite full-length three (3) hour training session. This includes the Class Session and the Equipment Lab Course.

Returning Clerks are strongly encouraged to participate in training through the onsite full-length session **OR** they have the option of completing the Election Day procedures training Online (available 5/1-6/5/18) **and** then attending a 1½ hour onsite Equipment Lab Course.

All **Inspectors**, as required by the California Elections Code, **must** receive training before **EACH** election. They can attend the onsite full-length three (3) hour session **OR** complete the Online Class (available 5/1-6/5/18) and attend a 1 ½ hour onsite Equipment Lab Course.

Only Poll Workers who complete the training **and** work Election Day on June 5, 2018 will receive the **additional** \$20 stipend.

In anticipation of high voter turnout at the polls, more Poll Workers have been assigned to each location. **Therefore, it is strongly suggested you register for the earlier classes/courses to avoid overcrowded sessions closer to Election Day.** Thank you for your assistance.
