You can spot "red flags" sooner if you complete Part 12 early in the process. If the person is literate in English and willing, the INTERVIEWER can tear out these pages from their packet for the client to mark up, and then the SCRIBE can transcribe their answers. If they are only literate in Spanish, they can use a form from the front desk in Spanish to fill out. Otherwise, you MUST read each question to them, unless specifically allowed to skip over particular ones.
